

St. Mary/St. Patrick Religious Education Confirmation Service Hours

Name: _____

Date	Organization/ Activity	Work Performed	Hours Worked	Date(s) Worked	Supervisor's Signature

We request that students have at least fifteen (15) hours of community service prior to the sacrament of Confirmation. The purpose of service hours is to encourage students to learn to live out their Catholic faith by helping those in need. Students **will not** receive community service hours by working for relatives, working for a business that is profit oriented, working for compensation other than service hour credit, or by participating in an activity which you have been involved in prior to this year (ex. you are already altar serving).

If you have any questions regarding the type of service, and if it is an approved activity, please ask your catechists or Terry Cravens.
